

We're Growing by Leaps and Bounds

**Sends 30 Children Off to Camp
Summer 2010!**

Thanks to our supporters, we have continued to expand our scholarship program by providing ongoing support to returning families and by adding several new families this year.

Here are some of the exciting adventures awaiting our campers:

- ❖ Overnight camp experiences in the backwoods of Maine and Massachusetts
- ❖ Performing and creative arts camps in Pennsylvania and Connecticut
- ❖ Intriguing camp programs at the New England Aquarium and Museum of Science
- ❖ The exciting opportunity of moving up to a CIT position at a favorite camp
- ❖ Fun at quality Boston day camps, enabling parents to work and rest
- ❖ A language immersion program in Oaxaca, Mexico.

Thanks for your help in making this all possible!
