*The Promise of Summer for Bereaved Children*

## *This summer 33 Wildflower campers are ready to go—thanks to your support!*

Thank you for helping us to achieve the ***Promise Challenge*** last year, which resulted in an additional \$10,000 from the generous donor who inspired the challenge. In the midst of finalizing this summer's plans, we were treated to a yoga workshop by The Bliss Brothers and a new, fun way to fundraise!

Looking ahead to the fall, we are excited to announce that we have been selected to participate in the ***Rodman Ride for Kids***. Their mission—to "help every child in our community live as we would want our own children to live"—is a great fit for Wildflower. On September 24th, a team of ten Wildflower riders will raise funds by cycling 25, 50, or 100 miles. We have space for two more riders on our team. If you are interested in joining us, please let us know. We'd love to have you!

Meanwhile, Wildflower is working hard to conduct business in an ***eco-friendly*** way. Electronic communication would make that possible and reduce the costs associated with traditional mailings. Help us spend more of our funds directly on sending children to camp! Please take a moment to send us your current email address. We promise to send only the most important information about Wildflower's continued growth.

## *Wildflower is thriving! Are you interested in helping us continue to grow?*
